

European and Asian Business Management presents
**Seminar Series "Economic and trade policies of
Japan in recent years"**

Mr. Masahiro Hayafuji

Head of Asia and Pacific Region,
Trade Policies Review Division
World Trade Organization

In today's business world, it is crucial to understand the economic history and the trade policies of a country to be able to make the right strategic decisions when managing businesses in that country.

During this seminar, we will learn the economic and trade policies in Japan in the recent years, this will allow us to have great insights about Japan's current economic situation.

About Mr. Hayafuji

Mr. Mashahiro Hayafuji is an expert in Economics and Trade Policy with more than 35 years of work experience in this field. Mr. Hayafuji has been working in different governmental institutions and is currently the Head of Asia and Pacific Region, Trade Policies Revision Division at WTO. Mr. Hayafuji received his A.B., in Mathematical Economics from Brown University and obtained his M.Sc., in Economic History from the University of Oxford.
